1. Background. This is an Agreement between I, the "Customer" and American Power & Gas of Pennsylvania, LLC ("AP&G"), to supply your home and/or business with all the energy you need subject to the eligibility requirements of your Natural Gas Distribution Company ("NGDC"), and acceptance by AP&G ("Agreement"). The Public Utility Commission of Pennsylvania ("PUC") has authorized AP&G to act as an Energy Service Company (Commission License # A-2013-2364337 and has entered into a service agreement with the NGDC. AP&G is a retail energy marketer and not your NGDC. AP&G reserves the right to deny enrollment or cancel online enrollment applications at any time based on internal eligibility reviews, regulatory compliance, or other discretionary factors. Enrollment is not guaranteed and is subject to company approval. The PUC does not regulate the price of energy or other charges found in this Agreement. You are at least 18 years old and fully authorized to enter into this Agreement. AP&G sets the commodity prices and charges that you pay. The PUC regulates distribution prices and services. You will receive a single bill from your NGDC for both its charges and AP&G's charges. Either a Residential or Commercial Customer may cancel this agreement at any time before midnight of the 3rd business day after receipt of this disclosure by contacting AP&G at 800-205-7491 or in writing at 10601 Belcher Road South, Seminole, Florida 33777 or via email at customerservice@goapg.com.

2. Definitions.

Commodity Charge. The charges for basic gas supply service.

Natural Gas. The actual fuel used to produce heat.

Interstate pipelines. The pipeline system used to transport natural gas from where it is removed from the ground to where it is delivered to your local utility company.

3. Term. This Agreement shall commence as of the date the change of Customer's provider to AP&G is deemed effective by the NGDC. This Agreement will continue on a variable rate methodology until terminated by either party.

AP&G may change its

margins substantially each month. Your price per CCF/therm/MCF on your initial bill for natural gas is stated on the Contract Summary. These prices will then vary from month to month based on the NYMEX index rate. These prices include interstate pipeline charges but exclude applicable state and local sales taxes. While the historical pricing is not indicative of present or future pricing, upon request, the customer may obtain the previous 24 months' average monthly billed prices for that customer's rate class and NGDC service territory by calling customer service at 1-800-205-7491. If AP&G has not been providing generation service in a rate class and NGDC service territory for 24 months, the months available to date will be provided. Your NGDC will also determine your billing intervals and any late payment fees. AP&G does not offer a budget billing service at this time. AP&G may assign and sell Customer accounts receivable to the NGDC.

The requested drop of the green supply will be processed immediately by AP&G and will become effective on the soonest date your utility's bill-processing system allows.

You will not be entitled to any rebate in the event that you fail to maintain or provide accurate information to AP&G regarding your linked bank account, are subject to any bank account freeze or seizure such that your linked bank account is unable to receive a payment from AP&G, or AP&G is otherwise unable to make a payment to your linked bank account through no fault of AP&G's own.
